

TIME TO DEAL WITH YOUR INVESTMENT PORTFOLIO?

*Get institutional-quality money
management close to home.*

VERSATILE, DISCIPLINED & TESTED INVESTMENT STRATEGIES

Gould Asset Management manages investment portfolios for individuals and institutions. With more than \$200 million in assets under management, the firm offers a versatile range of investment strategies based upon each client's unique financial goals and objectives. Gould strategies employ all asset classes—equities, fixed income, international, and alternative investments.

SOLID, COMPETENT & PROFESSIONAL MANAGEMENT TEAM

Donald Gould, a former global asset manager with Franklin Templeton Investments, has over 20 years of experience in the asset management business. A graduate of Pomona College and Harvard Business School, Don oversees a team of six investment professionals.
